

PLANNING BOARD NIXES ZONING

The Wilmington Planning Board Tuesday night gave adverse votes to all zoning articles it had time to consider, and left two articles for further consideration, tonight, after the De Carolis real estate hearing in the Town Hall.

Downed was the controversial North Wilmington Development article, approved by the same board less than a year ago, and also downed were the Maple Meadow - Main St. rezoning, and the Kilmarnock Road rezoning.

Approval was given to the article that would put both magnetic and true north arrows on town maps, and to the new definition of a 'single' house - but this after a two hour debate.

To be considered tonight are the articles for rezoning Ballardvale Street, and Garden Apartments.

The Board of Appeals notified the Planning Board that it was with drawing its article, which seeks to broaden the powers of the Appeal Board.

DISCUSSION OF TOWN MEETING ARTICLES BY SELECTMEN

The annual report of the Wilmington Finance Committee, now in the mails, predicts a tax rate of \$39.37, based on the Town Managers estimate of increased revenue from taxes this year.

The report was, indirectly the subject of four hours of discussion in the Selectmen's meeting Monday night, two of which was with the Permanent Building Committee and the Finance Committee, in joint session.

The meat of the discussion was the cost of the new proposed Town Hall. That part of the discussion could have been finished in 10 minutes.

Bob Michelson, Chairman of the PBC reported that the construction costs would be about \$18 a square foot (of floor area), with 8% over this for the architect. With a 'minimum contingency' fee of \$15 thousand, his figures came out to over \$200,000.

Other highlights of the Town Hall discussion included a statement by Bob Barry of the PBC that it would be necessary to pay 'Boston Wages' because contractors were unable to keep employees unless this were done, and a warning by Selectman Charles Black that the area chosen for the town hall has a 'water problem' and that it will be necessary to waterproof the cellar.

Black said the building should be built for a town of 25,000 population and not 15,000, and further that it should be a 'permanent memorial and not just a shack'.

The upshot of the meeting was an agreement to postpone final vote by the town for 60 days, at which time a special town meeting will probably be held, in order to vote for the purchase of sites for future schools. (The PBC will not have

a report ready for the annual Town Meeting).

Meanwhile it was agreed that the town will be asked to appropriate \$10,000 from taxes to be used to prepare plans for the proposed Town Hall.

There was no discussion of any zoning articles, in the Selectmen's meeting. Discussion of the other articles took the last two hours of the meeting.

A large part of the deliberation concerned the proposal to purchase a new ambulance. Lt. Harold Call, acting Fire Chief, has proposed that the town purchase an \$8,000 plus International ambulance, rather than a Cadillac.

The Finance Committee had recommended the sum of \$8000, and the Selectmen voted to up this to \$11,000 on the theory that the Town Meeting should be given its choice - Cadillac, International, Chrysler, Dodge or Chevy.

Employee Insurance
TM Bouchard reported to the Selectmen that Wilmington is one of the few communities in Massachusetts which does not have an adequate insurance employee plan.

All 14 counties have such a plan he said, 33 out of 39 cities have one, and out of 312 towns the plan is in effect in 182.

It was agreed that the TM and Selectman Black should prepare cost figures for the Town Meeting.

FROM CRIME TO COURT IN LESS THAN 12 HOURS

A 20 year old Silver Lake youth was sent to the Worcester State Hospital for observation, yesterday afternoon, after appearing in Woburn court, charged with three different counts of breaking and entering in the nighttime.

Quick police work, on the part of two officers of the Wilmington police, is credited with solving the one man crime wave of the night before.

Officers Charles Dolan and Dan Ballou knew after only a couple of hours work who the suspect was, he it is reported that he confessed, after being arrested.

A plea of 'Not Guilty' was ordered by Justice Sartorelli of the Woburn Court, when the suspect was arraigned shortly before noon.

The Buzzell School, the Center School, and the Cemetery Department building were broken into less than 12 hours before the youth was arraigned. Miscellaneous school supplies were taken from the two schools, and a check for \$180 was taken from the Cemetery Department building.

THE SKATES ARE RUSSIAN: A gift from the Russian Speed Skating Federation. Jeanne Ashworth, US Olympic Speed Skater, and the holder of the fastest 500 meter record in the world, toured the Wilmington public schools Tuesday, talking on physical fitness, and telling of her skating adventures in two Olympic contests, and in Japan and Sweden. She is pictured above talking to students in the Glen Road School.

Clothes which Jeanne wore in Austria are on the table, and there is also a pair of Russian roller skates, with the four wheels in line, instead of the two-pair of wheel system commonly seen here.

LWV CONTINUES STUDY OF MASS. LEGISLATURE

The Structure of Government Committee of the Wilmington League of Women Voters will present a program on the Mass. Legislature, March 9th at 8:30 pm, at the Legion Hall. The public is invited to attend.

The history and internal organization of the General Court will be reviewed. Particular emphasis will be placed on how a bill becomes a law and anyone who has ever wished for a certain piece of legislation should come and find out how to go about getting it.

The everyday life of a legislator will also be discussed. In fact, the committee will present an original skit showing their interpretation of 'A Day in the Life of a Legislator'.

During the week of March 16, unit meetings will be held and other aspects of the legislature will be discussed, such as state-local relations, redistricting, pressure groups etc. Some of the League's 1964 legislative program will also be reviewed, with particular attention given to the progress of the initiative petition bill for reducing the powers of the Governor's Council.

NOT LIKE IT USED TO WAS

It was almost 'My Dear Alphonse' Tuesday night, in the annual Baldwin Civic Association Candidates Night, Tuesday.

Gone were the questions of the 'Have you stopped beating your wife?' type, as the candidates overdid themselves to be polite to each other.

The one question that threatened to disrupt the calm proceedings was neatly fielded by Selectman De Felice, when he said 'I am not going to take the time to answer that question!'

Selectman candidate Lloyd Bender made the outstanding statement

of the evening when he publicly stated that he was going to vote 'Yes' on Civil Service. Mr Bender was the only person to take an affirmative stand on the question.

There were 83 persons present when the meeting started, at 89 when the candidate's part ended at 9:16 pm. No one could think of any more 'Dear Alphonse' questions.

The meeting got a little rougher after that, when Chairman Jerry Hale turned it over to warrant discussions.

PAFEC MEETING MARCH 11TH

An interesting meeting and display of handcraft is to be held March 11th at 8 pm in the West School by the Parents and Friends of Exceptional Children. The speaker is to be Miss Helen Freeman, an authority on special education

WE ARE FOR BENDER

It is impossible to ignore the growing ground swell of criticism against the Board of Selectmen. Much of the criticism, unfortunately, is personal. Essentially the problem is one of erosion of public confidence in the Board.

This is not really attributable to any single cause or circumstance. It does reflect a substantial public concern that matters are not as they should be.

One could enumerate from the past issues of this newspaper some of the specific criticism, but this too would sound like a personal attack.

But there is the extraordinary circumstance of a Selectman receiving answers only from a garbled editorial in a throw-away newspaper, to important questions on the proposed Town Hall, which she had submitted to the Board and Manager. Erroneously the Town Manager was blamed for this.

Another case in point leading to dissatisfaction is that basic changes in the character of the town are proposed for the coming town meeting, - but without any public discussion.

The Board of Selectmen has been silent most of the time, and when there has been discussion it has been in whispers or in executive session.

For an example of a basic change, the town is being asked to accept a building by-law which Selectman Brooks admits will permit the construction of cheap pre-fabricated housing, yet the only copies of this law available to the public are five, each of which are nailed securely to the wall.

The proposed by-law is a volume over an inch thick!

The Selectmen, and only the Selectmen are responsible for this lack of public knowledge.

Lloyd Bender of Salem Street has publicly challenged this failure of leadership. He offers a clear cut alternative to the continuation of government by silence.

Bender is young, in his thirties. He has shown great personal vigor and impressive performance in his many civic activities to date. He is especially well remembered for the excellent work done by the Junior Chamber of Commerce - a non-political group dedicated to public service.

Bender has not been afraid to take positions. He is not afraid to speak up. His position on such issues as Zoning, Civil Service, Economic Development and Comprehensive Planning have been stated clearly and constructively.

For these reasons the Town Crier has taken the unusual step of publicly endorsing a candidate for the Board of Selectman. That candidate is Lloyd Bender.

SUSIE'S SONNETS

by Sylvia Neilson

PRIMARY QUESTION

In that New Hampshire scuffle,

Which political buff'll

Win the shuffle?

WHY CIVIL SERVICE?

A letter, signed collectively by the Board of Selectmen, the Town Manager and eight members of the Finance Committee has been mailed to the voters of Wilmington.

There is one paragraph which is, to say the least, a very poor presentation. It is the one numbered 4.

'4. Often the town gives employment to persons who would otherwise have to seek welfare aid. This is of mutual benefit to the town and the individual involved, since it reduces the town's welfare costs and at the same time gives a job to a deserving, needy family. Adoption of Civil Service would make it almost impossible to continue this practice.'

This should not be the basic philosophy to use in discussing employee relationships. The collective group of town officials have categorized the town employees as being employed in lieu of welfare.

It simply is not true that the majority of the people working for the town are of this type.

It is amazing that the officials who have signed this letter, people who have lived in this town for many years, should feel this way about their town employees.

Possibly this is why we have Civil Service on the ballot for next Saturday.

OTHER WORDS ON PUBLIC SERVICE

"Let the public service be a proud and lively career, and let any man and woman who works in any area of our national government, in any branch, at any level, be able to say with pride and honor in future years: 'I served the United States Government in that hour of our Nation's need.'"

--John F. Kennedy, President of the United States, January 1962.

THE PHEARLESS PHORECAST

If the weather is good Saturday there should be between 2800 and 3000 voters who cast ballots, out of a total of 5952. About 50% of the ballots will be cast in favor of Mr Bender, with Mr De Felice and Mr Forrest dividing the rest of the Selectmen's votes.

The Civil Service question will be close. The Town Crier feels it will carry about 52% of the votes cast.

As for the School Committee race. Dun't Esk, as Milt Gross used to say. There are too many proven vote getters who will be clustered near the top of the tally column.

TOWN NOTES

Beatle Wig

We have related in this column of several high school youngsters and their adventures with the so-called Beatle Wigs, now a more or less popular thing.

But the first lady we have heard of in Wilmington to acquire one of those things is Mrs Arthur Bureau of West Street.

The lady, we are given to understand, won it from radio station WMEX. Was it from Woo Woo himself?

Frankie Pignone

One of the Chargers who attended the football banquet in the Legion Hall, Saturday night, was Frank Pignone of Stoneham, who played Right Half Back, last year, with a nice solid weight of 196 pounds.

Frank looked good, lugging that ball around - all muscle, etc etc.

Immediately after the football season was over he was drafted into Uncle Sam's Army, by the well known process, and he shortly ended up in the Officers Training School, down at Fort Benning Ga.

That's the place where no one is allowed to walk - never. You always, always run, even in your dreams at night.

Frank is now a slim and lithe 176 pounds, still all muscle.

What happened to the other 20 pounds of muscle?

Ernie Crispo

Ernie Crispo, Hopkins Street plasterer, who has served on the school board for about 15 years has returned from Florida, looking like a million dollars. We never saw him look more healthy.

We welcomed a chance to talk with him - for he is running again, --sort of out of turn as it were, for he was out for a year or so.

Ernie tells us he dropped out of the school committee because he was planning to move - and then didn't, and he now wants to get back in the harness, 'to keep on working on the school programs for the benefit of the community,' as he put it.

Ernie, who has had five of his own youngsters in the Wilmington schools, is serious about wanting to be back on the board. He has been in business here for 45 years and he wants to keep both the business and the schools running.

Shake Hands

TM Jerry Bouchard told an amusing story Monday night that had its point.

A citizen of this town came into his office last week, and shook hands, and then turned around to leave, although Jerry was in the act of getting him a chair.

'Howcome?' said Jerry, ineffect 'Don't you want to talk about something?'

The Bridge Fence

About a year ago George Robertie
observed, in a School Commit-
tee meeting that the real purpose
of the 'snow fence' on the Woburn
Street bridge over Route 93 was
to hide the fact that the State Cops
use the place as a 'Radar Stand'
for catching speedsters.

Tuesday the States were on the
job, so we took the trouble to make
a trip on 93, just to find out if we
could see the State Cop who was

manning the radar set.

This is to report that the only
thing we could see from 93 was the
cop's head. The car, etc were com-
pletely obscured by the snow fence.
We looked hard, too.

Robertie may not have had the
right answer, but he had a com-
pletely accurate observation.

SHOULD WILMINGTON JOIN THE 20TH CENTURY?

Consider These Facts:

1. Three town departments are now sub-
ject to Civil Service.

Police Department

Fire Department

Board of Public Welfare

2. Civil Service means freedom from
political pressure.

3. Employees can be fired under Civil
Service - but only for "cause". In other
words, there must be reasonable grounds
to justify the firing.

4. Civil Service means that employees
are selected and appointed only by com-
petitive examination. This rewards con-
scientious employees. It certainly does
not penalize them. It encourages self-
improvement and better service.

5. The Town does not lose "complete
control" over Town employees. Under Ci-
vil Service the chief requirement is
that the Town Manager must treat the
employees in a reasonable manner.

6. Any employees not included in the
referendum can be included later. The
Town Employees Association publicly
pledges itself to work with the Select-
men and Finance Committee to include any
such additional employees by referendum
next year.

7. Further, we will assist the Select-
men, Town Manager and Finance Committee
to provide an interim guarantee of job
security for such employees as have been
omitted, until they too can obtain Ci-
vil Service protection next year.

8. We do not seek public welfare as-
sistance. We are proud to serve the com-
munity. We have pride in our jobs. We
feel we are entitled to minimum dignity
and self-respect.

9. Federal employees have Civil Ser-
vice protection. State employees have
Civil Service protection. Most municipal
employees in Massachusetts have Civil
Service protection. Teachers - even the
Superintendents of Schools - have job
tenure. Private employees are commonly
protected by union contract.

10. The City of Newton, the City of
Cambridge, the Town of Wellesley, the
Town of Brookline - these are among the
best run municipalities in this state.

In each of these there is Civil Ser-
vice. We think our officials are suf-
ficiently competent to work successfully
with Civil Service too.

We think Wilmington can afford to Join
the Twentieth Century.

If you agree - please

H.S. STUDENTS IN SCIENCE PROGRAM

Five Wilmington High School Students, and twenty eight from Woburn, Bedford, Lexington and Burlington are taking part in a special program, in Burlington High School devoted to a study of atmospheric sciences.

12 seminar lectures, on Monday afternoons, after the close of the respective schools, are being given in the period ending on May 4th.

The Air Force Cambridge Research Laboratories, in Bedford, has assigned a crew of seven scientists, to conduct seven of the lectures.

The other five presentations are being made by scientists from the Geophysics Corporation of America, Arthur D Little Inc., and the Aracon Geophysics Company.

Dr William K Wildger, a former resident of Wilmington, will present the Aracon lecture.

The special program was established by the Massachusetts Department of Education, for outstanding pupils in science and mathematics. Only students with an

The Warriors (below) have (Front) Tom Morris, Jimmy Tildesley, Jack Irwin, Gary Hebsch and John McNevin. Rear, Coach Don Hebsch, Lou Maglio, Dave Boeri, Bbooy Cassello and Paul Campos.

BASKETBALL FINALS COMING UP

Last week, in the semi-finals, the Royals defeated th Knicks 45 to 42 and the Warriors the Lakers 33 to 31.

This Saturday the Knicks will face the Lakers at 1:15 pm in the High School gym, at at 2:45 pm the two top dog teams, the Warriors and the Royals, will square off.

In last Saturday's game the Royals had Lenny Gustus pouring out 14 baskets and 4 foul shots for a total of 32 points. Danny O'Connell was the high man for the Celtics with 17 points, followed by Bob Flores with 15.

In the Warriors-Lakers tilt Bob Cassello scored 14 points and Dave Boeri hit for 10 for the Warriors. Leo O'Connell got 12 points and Chick Lowell for the Lakers.

Both games were well played and the clock decided the winners. The scores were even most of the way, give or take a point.

Next weeks games should be even better, as the boys all want to be on the winning teams.

A banquet is planned for March 21st, at the North School, for the boys and their dads. There is to be a guest speaker, plus the giving of awards.

WILMINGTON FORD TEAM ARE LEAGUE CHAMPS

CUB SCOUTS' BANQUETS

Pack 59 Cub Scouts, sponsored by the Methodist Church, and Pack 56 Cub Scouts, sponsored by the Congregational Church, held their annual Blue and Gold Banquets last Saturday.

Pack 59 met in the Fellowship Hall of the Methodist Church, under the leadership of Cubmaster Fred Rasmussen. A delicious spaghetti dinner was served, prepared by Art Gilman.

Pack 56, which is the largest in Wilmington if not in the Greater Lowell Council, had a turkey dinner, with Cub Dads serving as waiters to a crowd of over 200.

Regional Commissioner Foster Balsar presented the Charter Renewal, and it was noted that this Pack is the second oldest in the Council, having been in existence since 1948.

Because of the large number of Cub Scouts the pack is in need of additional Den Mothers. Cubmaster is Richard Miller, 8-2738.

The next meeting of Pack 59 is to be at the Glen Road School on March 29th., at which time a bottle drive is to be conducted.

COLOR GUARD AT PACK 56 BANQUET: Held Saturday night, in the North School., included Richard Ness, Stephen Fantasia, William Olson, James Kaminski, Clifford Friberg, Gary Baker, Scott Farnham and David Olson.

PONY LEAGUE ANNUAL MEET FRIDAY NIGHT

The annual meeting of the Wilmington Pony League is to be held Friday at 8 pm at the home of Atty Roland Wood, 8 Lockwood Road, No. Wilmington.

New officers for the coming season are to be elected, as well as formulating plans for the year.

A special invitation is being extended to all those interested in promoting this baseball league, for boys between the ages of 12 and 15. The Wilmington league is affiliated with the Reading League, considered to be one of the best, and made up of teams from Reading, Stoneham and Wilmington. American League baseball rules govern the conduct and scope of the game.

Through the generous support of the Wilmington Community Fund financial support is supplied with out the necessity of seeking pledges from local merchants.

The greatest need at the present time is for competent and able men who will assist in the training and coaching of the boys, plus others who could assist in the many details concerning the operation of the league. Recent high school and college graduates with baseball playing experience are urged to take part, and particularly newcomers who have been reluctant to participate.

HIT AND RUN DRIVER FINED

A hit and run driver from Tewksbury paid a total of \$125 in fines in Woburn Court, yesterday.

Richard Norton of Tewksbury was found guilty of having struck a car, and driven off without stopping, after causing property damage, on Feb 17th. in a Main Street accident. He was fined \$25 on this charge by Judge Sartorelli, and \$100 on a charge of operating a car after suspension of his license.

Norton was arrested on the same day as the accident occurred by Officer John Harvey of the Wilmington police.

REPUBLICANS HEAR CANDIDATES

The Wilmington Town Republican Committee, meeting on Feb 18th in the DAV Hall, met three candidates for the Republican State Committee, 7th Middlesex Senatorial District, and two men in an organizational capacity.

Miss Barbara Gilson, of Lexington, employed at the Terrell Corp on Woburn Street, a candidate for the Republican State Committee, is a graduate of Mt Holyoke College, and is active in the alumni clubs of Boston. She is also a member of the Sutton Club of Lexington.

Miss Gilson has been Secretary, Vice President, and member of the Executive Committee of the Young Republican Club. She was Lexington's delegate to the Mass. Council of the YRC, serving 1 year as Recording Secretary, and 2 years as Co-Chairman. She has been Co-Chairman and appointed member

of the Mass. Republican State Committee, and its Executive Committee for 2 years, which gave her valuable experience for the position of Secretary of the New England Council of the YRC for two years.

Mrs Marion E Hunt, of Lexington is a long time member of the Republican Town Committee in Lexington, and has served as a delegate to the convention in Worcester. She is a member of the Republican Club of Massachusetts as well as the Women's Massachusetts Republican Club.

Mrs Hunt has a history of life time service to her community - school committee member, library trustee and town recreation member, as well as the Camp Fire Girls, Bedford Woman's Community Club, Women's Association of Mass. Osteopathic Hospital, Red Cross Gray Lady, and the Florence Crittenton League.

Mr. Andres T. Card, of Billerica is a 1952 graduate of the Boston University School of Business. He is connected with a brick and stone company, and also an agricultural business relating to the production of honey.

Mr Card is a member of the Billerica Republican Town Committee, and has watched the population explosion in that town with a critical eye. He understands the small communities' problems and feels that he could well represent Wilmington and the 7th Middlesex District in the State Committee.

In addition to the three candidates, two men gave talks on organization.

Walter Palmer of Weston, representing the State Republican Committee, spoke as a representative of that organization as liaison and educational representative, a talk that was specially enlightening to the newer members of the committee.

Palmer explained the functions and aims of the state headquarters with relation to the town committees, and told of a new bulletin called the GOP News. He gave a run down on the other services available, in Research for Candidates, Public Relations, Publicity, Field Organization, and Volunteer Operations.

Walter Flaherty of Concord was the final speaker. He is a director of Precinct, Inc. a small private corporation of about 80 members, organized in 1963.

Mr Flaherty represents the western Middlesex section. The state director of the organization is Gus Cronin, of Wilmington's new MacBick Corp.

Precinct Inc. intends to help the State Republican Committee in a project to relieve them of that work completely, so that the state committee may concentrate on other matters.

This year Precinct Inc. is initiating a program called Precinct Voter Survey. When completed it will be a four-part series of precinct profiles for each and every community. The town committee members are to gather the statistics, and these will be compiled in book form for the use of candidates.

Mrs Wavie Drew, Chairman, introduced the new members of the committee who were present, James Micell, Jane Keane and Stanley Webber, whose names, with the rest of the 35 member committee will be on the Pre-Primary ballot on April 28th.

The Committee voted to participate in the Voter Survey preparation, with Mrs Ruth Kitchener to be chairman of that committee.

The next meeting of the Wilmington Republican Town Committee is to be on March 17th in the DAV Hall on Grove Avenue.

LETTERS

March 2 1964

Dear Mr Neilson

I am sure many of your readers will remember the petitions which were circulated last fall by members of the Junior Chamber of Commerce and the League of Women Voters, for the purpose of reducing the statutory powers of the Executive Council.

This drive was a tremendous success and has resulted in a bill (H3000) to be brought before the General Court, after a public hearing before the State Administrative Committee on March 16.

The purpose of this letter is to inform the people who signed the petitions and wish to see this bill enacted, that their help is needed now.

We are urging that every one of them write their state representatives and senator between now and March 16.

If the legislature is flooded with a deluge of mail favorable to this legislation, there can be no doubt in their minds as to the wishes of the public and they will surely act accordingly.

Anyone wishing to help and desiring more specific information may contact me at my home at 45 High Street.

Sincerely yours

Mrs Harry Johnson
 Legislative Chairman, League of Women Voters of Wilmington.

Capt. Larz Neilson
 Town Crier of Wilmington

The League of Women Voters of Wilmington would like to clarify the statements made in the editorial column of the Town Crier on Feb 20th. It is important first to understand league procedure and how it operates.

As you know, in order for the LWV to act on any issue they must first study the question from all sides. Then they draw their conclusions and by a vote of the membership decide where they stand. It is only then that the league acts.

In regard to S 276, limiting the size of house lots in Massachusetts because the LWV of Mass. as a whole has no stand on zoning, it can take no action.

However, any local league in the state which has made a study of zoning and has a consensus covering density zoning may act on this matter. Before the local league can do anything in relation to this bill, it must receive permission from the state office, as this is state legislation.

Density zoning was one of the topics discussed by the members during the league's study of zoning in Wilmington.

On this basis, the league in Wilmington was able to write to our elected representatives in the General Court informing them of our position on this bill. Members, also, are urged to write as individuals and are notified of the time for this action at meetings, and, if time permits, through our monthly bulletin.

Cordially
 Madelyn A McKie

Mrs Theodore C McKie, President

Dear Larz:

Through your columns, may the Wilmington Town Employee's Association Inc. make a final statement, before Saturday election?

Wilmington is proud of the accomplishments of its employees over a period of years. Many of its employees have served the town well, and they suddenly find that they may be discharged without cause, and without an opportunity to defend themselves, and, most serious of all, with no right of appeal.

We believe that every employee has a right to take reasonable steps to protect his job. This is particularly true for those of us who have families to support.

We regret that the Selectmen and Finance Committee have written to all the voters a condemnation of our efforts to protect our livelihoods.

We do not believe that the remarks contained in the town officials letter are accurate. We have stated our position in our mailing to the people of Wilmington. We earnestly request that you disregard the misstatements of the letter signed by the Selectmen and Finance Committee, and give us your support on Saturday.

Wilmington Town Employees Association, Inc.

(Seal) Case No. 41549 Misc.
In Equity
To Ruth E. Kane, of Wilming-
ton, in the County of Middle-
sex, and said Commonwealth:
and to all persons entitled to
the benefit of the Soldiers'
and Sailors' Civil Relief Act
of 1940 as amended:

George Shore, of Hull, in the
County of Plymouth, and Sidney
Lipson, of Sharon, in the
County of Norfolk, and both of
said Commonwealth; claiming to
be the holder of a mortgage
covering real property in Wil-
mington, Middlesex Avenue, given
by Ruth E. Kane, to the
plaintiffs, dated March 4, 1963

DR C M THACORE TO BE
GUEST SPEAKER

Dr C M Thacore, one of Asia's
leading Christian educators, is to
be quest-speaker at Wilmington
Methodist Church today at 8 pm.

Dr. Thacore is president of the
100 year old Lucknow Christian
College, the only senior Methodist
College for men in India. Located
in the city of Lucknow, the college
has an enrollment of 1,800 and has
four educational units, College of
Liberal Arts, College of Physical
Education, Teacher - Training
College and the Centennial High
School. Though the college is Me-
thodist Institution, the student body
includes persons of various faiths,
including Christian, Muslim and
Hindu.

The second Indian to serve as
president, Dr. Thacore has been
the chief administrative officer of
Lucknow Christian College since
1949. His appointment to the pre-
sidency came after he had been on
the faculty and staff for 19 years.
He joined the faculty in 1930 as
instructor and later served as pro-
fessor and vice-president.

The son of a Methodist minister
Dr. Thacore was born in Nadian
Bombay State. He received the
bachelor of arts degree from Bom-
bay University in 1928 and the
master of arts degree there in
1930. He has done graduate study
London University and Lucknow
University, having received the
doctor of philosophy from the latter

school in 1948. His study at Luck-
now University was under the in-
ternational Crusade Scholarship
Program, which trains outstanding
leaders of the Methodist Church
overseas.
